**Felt Tip Pen Painting**

**The Baptism of the Lord**

*Level: All*
*Time: 15-30 minutes*

---

**Materials Needed**

- paper (not too absorbent)
- colored markers (felt tip pens)
- paint brush (medium to small)
- water

**Procedure**

1. Draw a picture of John baptizing Jesus in the Jordan River.

2. Small children can go over parts of the picture with a wet paintbrush any which way. Colors will run.

3. Older children will want to control the running of the colors by painting from the outside of figures toward the inside. They will also want to rinse out the brush between “painting” different colored figures.

4. Be sure to brush water onto the Jordan River part of the picture!
