

Color the ship and the men and the stormy sea. Then cut out the ship.

Fold the 'sea' up and down as shown (You may be able to fold the ends in to make it more sturdy.) When the ship is placed in the waves it can be rocked the way a boat moves in a stormy sea.

Color, cut out  
and fold the  
Sea like this

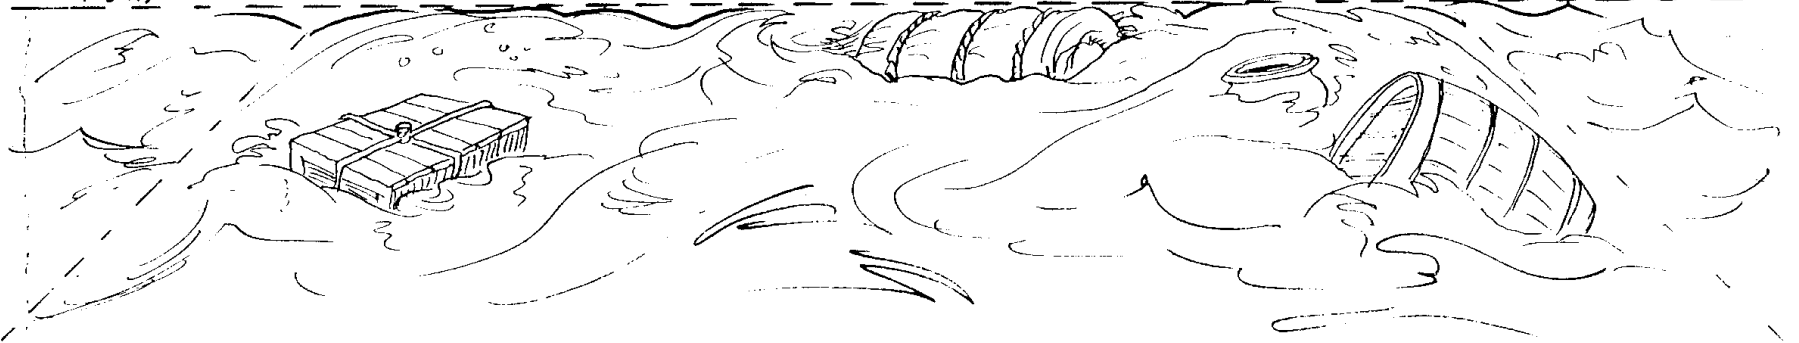

place the  
cut out  
SHIP  
HERE

With some  
help you could  
Fold the  
ends in.
